

2nd International Congress EURASIABIO'2010

April 13 - 15, 2010 • World Trade Center • Moscow • Russia

SATELLITE DAY		PROGRAMME
Monday, 12 April 2010		
12:00 - 13:00	Registration Open	
13:00 - 17:00	Forum "Biotechnology and Society"	
DAY 1st		
Tuesday, 13 April 2010		
08:30 - 16:00	Registration Open	
09:30 - 10:15	OPENING CEREMONY	
10:15 - 10:40	PLENARY LECTURE: Russian Federation Policy in Life Sciences and Innovative Bioeconomy, Alexander KHLUNOV, Head of Department of Science, High technologies and Education, RF Government	
10:40 - 11:20	PLENARY LECTURE: From Systems Biology to P4 Medicine (predictive, personalized, preventive, participatory), Prof. Leroy HOOD, Insitute of Systems Biology, USA	
11:20 - 12:00	PLENARY LECTURE: Biotechnology Worldwide: Improving Human Life, Social Environment and National Economics, Dr. G. Steven BURRILL, Burrill and Company, USA	
12:00 - 12:30	<i>Coffee Break</i>	
12:00 - 12:30	EXHIBITION OPENING CEREMONY	
12:30 - 13:30	PANEL DISCUSSION: National Strategies for Bioeconomy Development	
12:30 - 13:00	PRESS CONFERENCE FOR ACCREDITED MEDIA	
12:30 - 17:30	Partnering One-to-One Meetings	
10:15 - 16:30	TRAINING COURSES ON BIOECONOMY COURSE I. Optimization strategies for chromatographic unit operations in process development.	

12:15 - 13:30	Track 1. HEALTH & MEDICINE ('Medbiotech-2010'). National Biological Screening Net. SESSION: Russian National Programme for Innovative Medicines (Organizer - the Russian Academy of Sciences)					
13:30 - 14:30	Lunch					
14:00 - 14:30	Biotech Companies Presentations					
PARALLEL SESSIONS:						
	Track 1.	Track 2.	Track 3.	Track 4.	Track 5.	Track 6.
	HEALTH & MEDICINE (‘Medbiotech-2010’)	FUEL & ENERGY (‘Bioethanol - 2010’)	INDUSTRY	FOOD & AGRICULTURE	SYSTEMS BIOLOGY & BIOTECHNOLOGY	BIOTECHNOLOGY WORLDWIDE
14:30 - 16:00	SESSION (cont.): Russian National Program for Innovative Medicines	SESSION: Legislation & State Policy on Biofuels	SESSION: Global Trends in Biobased Industry & Market	SESSION: Transgenic Plants as one of the Basis for Agriculture Modernization	SESSION: Genomic Research as a Fundamental Basis of Biotechnology	VI Symposium EU-Russia: cooperation on biotechnology, agriculture, forestry, fisheries and food in the 7-th framework programme
16:00 - 16:30	Coffee Break					
16:30 - 18:00	SESSION (cont.): Russian National Programme for Innovative Medicines	SESSION: International Markets and Trends for 1st & 2d Generation of Biofuels	SESSION: Advances in Biomass Hydrolyzing Enzymes	SESSION: Intensive Forestry: Fast Growing Trees & Forest Plantations	SESSION: Microbial Genomics: From Reading to Complete Understanding	VI Symposium EU-Russia: cooperation on biotechnology, agriculture, forestry, fisheries and food in the 7-th framework programme (cont.)
18:00 - 19:30	SESSION (continuation): Russian National Programme for Innovative Medicines (Organizer - the Russian Academy of Sciences)					
16:30 - 18:00	POSTER SESSION					
18:00 - 20:00	WELCOME RECEPTION
